REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Upon consideration, the traverse in Paper No. 6 filed August 31, 2000 is found persuasive and the election/restriction requirement in Paper No. 5 is withdrawn. Claims 1-115 are allowed as the prior art to Ting does not teach the claimed feature regarding the barrier layer containing a reducing agent which react with the first plating solution to form the metal seed layer. There is no teaching or suggestion to modify the prior art to arrive at the claimed process.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to examiner Quach whose telephone number is (703) 308-1096. The examiner can normally be reached on Monday through Friday from 8:30 to 5.
